

Duffy Well Flows 1,400 Barrels In Early Test

TO SPEAK HERE—Rev. Marshall Rhew, newly appointed district superintendent of the Methodist Church (above) will speak at the evening worship service of the First Methodist Church in Hamlin Sunday evening at 7:00 o'clock. The public is invited, declares Rev. S. Duane Bruce, pastor of the church.

Hamlin Men Go to Sweetwater Soil Conservation Meet

At least five Hamlin area men were slated to attend a soil conservation study meeting for this section yesterday (Thursday) at Sweetwater, sponsored by the soil conservation committee of the West Texas Chamber of Commerce.

Beginning at 9:00 o'clock, the session was to be presided over by J. C. Porter, manager of the agriculture department of the First National Bank of Wichita Falls, who is chairman of WTCC soil conservation committee.

Speakers scheduled to appear on the day's program included: John Cole, executive director of the Association of Texas Soil Conservation District Supervisors; of Temple; Loran H. Walker, manager of the agriculture and livestock department of the West Texas Chamber of Commerce of Abilene; Ralph Schwartz of the Soil Conservation Service of Abilene; H. B. Baswell, assistant conservationist of the SCS of Temple;

Slated to attend the Sweetwater gathering were Holly Toler, Starr Inzer, Duck Weaver, Tarleton Willingham and C. L. Howard.

Former Hamlin Lad Dies After Swallowing Gun Cap

Claude Leonard Kinsey, nine-year-old son of Mr. and Mrs. J. C. Kinsey of Grandfalls, former residents of Hamlin, died Saturday evening about 7:00 o'clock, some 30 minutes after he had swallowed an aluminum cap from a toy pistol while playing at the home of a relative at Crane.

Community Being Organized for 1953 Red Cross Campaign

Hamlin community is being organized for the opening of the annual Red Cross drive that will get underway on March 9, Dr. W. S. Seals announced this week. Hamlin's quota for the campaign is \$1,741. Jones County's goal for this year is \$8,202, an increase of \$740 over last year's assessment. Earl Smith of Hamlin is county chairman.

Women's organizations will direct the campaign in the Hamlin residential district, Seals declared. Complete organization for this part of the annual drive will be announced within a few days.

Business men are being organized into teams to work the business houses. Special letters will be sent to all firms doing business in Hamlin with central offices in other cities, Seals said Wednesday.

\$1,000 Posted for Club Show Prizes

Hamlin Pays Its Pro Rata Share of Premium Money

Hamlin Chamber of Commerce this week paid its pro rata share of premium money for the annual Jones County Club Boys' Livestock Show, scheduled next weekend at Stamford. The pro rata was \$350.

Premium lists totaling in excess of \$1,000 have been announced for the show, which will be staged at the Cowboy Reunion grounds in West Stamford next Saturday. The show is jointly sponsored by Stamford, Hamlin and Anson, and the site for the annual exhibition is rotated between the three towns.

Cash awards totaling \$313 are to be distributed among the winners in the fat steer department which excludes milk-fed calves, a calf that has nursed its mother after October 1, 1952, or a nurse cow after September 1, 1952. There are three classes of drylots—light, medium and heavy-weights—and a dry-lot calf is defined as one that was weaned from a nurse cow on the above date or off its mother on the above latter date.

Breeding beef cattle awards for the show total \$37; dairy cattle, \$60; breeding hogs, \$140; fat hogs, \$138; fat lambs, \$110; ponies, \$88.50; and showmanship, \$48. Champions and reserve champions are to be named in all departments.

One Name Filed for Place on City Ticket

Deadline for filing for city offices in the spring election is March 7—but so far only one candidate has put his hat in the ring for one of the three places that will be vacated by expiring terms of present members of the City Council. Louie J. Cunningham has filed for a place on the city ballot.

Applications for places on the city election ticket must be filed with Mrs. H. M. Barrow, city secretary.

City election for Hamlin will be held on Tuesday, April 7.

Colored Women to Serve Benefit Dinner Sunday for Church

Furnishings for the new Oak Grove Baptist Church that is now under construction will be purchased with funds raised at a special Sunday dinner to be sponsored Sunday beginning at 12:00 o'clock at the DePriest Colored School.

The dinner will be served for 50 cents per plate, and is being sponsored by members of the Home Mission Society of the Oak Grove Church.

Committee in charge of arrangements for the dinner is composed of Mary Lewis, Gertrude Wells, Louberta Maxwell and Ramona Smith.

Got a Ringer?

Anybody around these parts have a spare large size bell? Leaders of the Oak Grove Colored Baptist Church congregation in Hamlin are seeking a big bell that can be placed in the steeple dome of the new meeting place for the congregation that is going up in the colored section.

To be used to call the colored population to worship in the new edifice, the bell would make a worthy contribution to the congregation. Members of the building committee felt such a bell is in the area, maybe having been used as a big dinner bell on a farm or ranch in earlier days.

Superintendent to Speak Sunday at Methodist Church

Special speaker at the evening service Sunday at the First Methodist Church in Hamlin will be Rev. Marshall Rhew, newly named district superintendent of the Methodist District of the Methodist Church, announces Rev. S. Duane Bruce, local pastor. The service will be at 7:00 o'clock.

Rev. Rhew is a graduate of Southern Methodist University, having served as pastor in the Northwest Texas Conference of the Methodist Church for the past 19 years. He has served pastorates at Lueders, Abilene, Roscoe, Borger, Stamford and Vernon. Rev. Rhew replaces Rev. Howard Crawford on the district. Crawford was appointed pastor of the First Methodist Church at Lamesa.

The public is invited to hear Rev. Rhew in his first service at the Hamlin church, Pastor Bruce declares.

Mrs. Elvin Hill Named Secretary By Hamlin C. of C.

Mrs. Elvin Hill, wife of the new head basketball coach at Hamlin High School, has been named office secretary for the Hamlin Chamber of Commerce, it was announced Tuesday by C. L. Howard, president of the civic organization.

Mrs. Hill was named to the place when directors of the organization met Tuesday morning in a called session at the CC offices in the former F. & M. National Bank building. She will assume her new position next week.

Mrs. Hill came to Hamlin with her husband in January, when he was named basketball coach to succeed Vernon Townsend, who was made head football coach upon resignation of Jesse N. (Red) Burditt at mid-term.

A graduate of Howard-Payne College, she also attended Daniel Baker College at Brownwood. She had been employed in a secretarial capacity by the Southwestern States Telephone Company at Brownwood.

Mrs. Hill was named to the secretary post following the resignation of R. T. Spaulding, who will complete a contracted six-month term as manager of the CC on March 1.

Office hours will be maintained by the new secretary from 9:00 a. m. to 5:00 p. m. each day, President Howard advises.

NEW CC SECRETARY—Mrs. Elvin Hill (above), wife of the new Hamlin High School football line coach, this week was elected office secretary for the Chamber of Commerce. She is a graduate of Howard Payne College at Brownwood, and had done secretarial duties with the telephone company at Brownwood. Mrs. Hill will succeed R. T. Spaulding, who resigned as manager, effective March 1.

Nearly One-Half of 17-County District Oil Produced within 30 Miles of Hamlin

Jones County led the 17-county Central West Texas territory of District 7-B in crude oil production during 1952, according to tabulations recently released by the Texas Railroad Commission, under whose jurisdiction production for the state is prorated and controlled.

Production of crude oil in the counties of the district increased approximately 15 per cent during 1952, hitting a new record of 35,651,221 barrels. Production in 1951 was 30,350,120 barrels.

Jones County, which has led the district for a number of years, produced over 8,000,000 barrels of oil, which amounted to nearly one-fourth of the total.

Ten counties in the district contributed over 1,000,000 barrels of oil to the nation's oil-consuming economy.

In second place behind Jones County was Stonewall, followed by Fisher, Throckmorton, Coleman, Stephens, Haskell and Shackelford, all of which produced over 2,000,000 barrels.

Actually nearly one-half of the district's production came from a region within 30 miles of Hamlin, since Hamlin is on the edge of both Fisher and Stonewall Counties.

Significant was the fact that Stonewall County, which has seen a lot of development in the past three years, jumped from 1,680,000 barrels in 1951 to 5,350,000 barrels in 1952, an increase of about 210 per cent.

Nolan County, which previously had been a minor factor in the overall production picture, jumped about 330 per cent, producing 670,049 barrels in 1952, compared to 142,066 barrels in 1951.

With the development of several new fields, found in late 1952, Nolan County is due to rise even higher during the current year.

Coleman County showed an appreciable gain over the previous year—some 50 per cent—from the 1,969,000 barrels in 1951 to a total of 2,970,000 barrels in 1952.

Haskell County had a similar rate of increase, from 1,478,281 barrels in 1951 to 2,220,810 in 1952.

Production for 1952 and 1951 for all counties in District 7-B follows:

County—	1952 Prod.	1951 Prod.
Brown	362,228	324,101
Callahan	669,734	519,323
Coleman	2,970,595	1,969,443
Comanche	309,979	281,157
Eastland	1,212,920	1,345,231
Erath	17,610	36,675
Fisher	4,078,991	4,204,260
Haskell	2,220,810	1,478,281
Jones	8,132,553	7,961,662
Nolan	674,049	142,066
Palo Pinto	197,180	177,898
Parker	149,879	83,599
Shackelford	2,043,488	2,291,630
Stephens	2,421,076	2,737,124
Stonewall	5,350,709	1,680,180
Taylor	1,542,136	1,458,641
Throckmorton	3,297,287	3,656,849

Tippin Approved as New District Attorney

The Texas Senate last week-end confirmed William K. (Bill) Tippin's appointment by Governor Allan Shivers as district attorney for the 104th Judicial District, of which Jones County is a part.

Tippin replaces John Willoughby of Abilene, who resigned recently to enter private law practice.

Tippin formerly was representative in the Texas Legislature from Taylor County.

Biggest Producer In Area Seen for Well Near Hamlin

Hamlin area's biggest oil producer was brought in Wednesday at noon within two miles of the Hamlin city limits. Unofficial tests made at the well showed oil flowing at the rate of a barrel a minute, which would figure more than 1,400 barrels per day.

The well, Duffy Drilling Company's No. 1 on the Tom Holman tract, was producing from a depth of 3,500 feet. The flow began after the well had been treated with sandfrac, a new chemical which was first used in the Wimberly No. 2 Holman well several weeks ago.

Official gauging will be made within a few days, the drilling concern representative said Wednesday.

The big producer is located in the southwest corner of the northeast quarter of Section 187, B. E. B. & C. Railway Company Survey, Block 1.

Jones & Stasney of Albany has staked their No. 1 well on the Emmitt Jenkins place, four and one-half miles northeast of Hamlin. Site is in the southeast corner of the southwest quarter of Section 126, B. E. B. & C. Railway Company Survey, Block 1, in Fisher County.

A new drilling company just organized by Abilene parties has staked its No. 1 oil test on the W. F. Martin ranch, 11 miles northwest of Hamlin. Site is in Section 113, H. & T. C. Railway Company Survey, Block 1, in Fisher County.

Atlantic Refining Company has made a location on the Fay Young Morton place, six miles northwest of Hamlin. Rig was being moved in this week, and the well will go to the Ellenburger sand, which is about 6,500 feet. Site is in Section 26, Austin & Williams League.

Jones & Stasney of Albany has staked its No. 1 Joe Culbertson well, three miles northeast of Hamlin. To be drilled as an offset to the Earl and E. J. Ahaley producer, location is in the east side of Section 66, G. H. & H. Railway Company Survey. Contract is to the Swasika, about 3,500 feet.

DePriest Choral Club To Be in Talent Show

Choral Club of DePriest Colored School is making preparation to participate in a talent show that will be conducted in Hamlin some time in March, according to Mrs. Gwendolyn Tyiska, the director. This group has been cited as being one of the outstanding groups of its kind in West Texas.

Members of the Choral Club are Vinita Mayfield, Joyce Fay Andrews, Vera Lee Haley, Ola Mae Douglas, Minnie Brown, Janie Brown, Norma Jean Ervin, Ada Jean Miller, Beatrice Taylor, D. C. Carr, John Reese Mayfield, Earl Gardner, Charles Gardner, A. C. Ellis, Lewis Calvin Brown, Billy Ray Turner and Albert Douglas Jr.

Two new arrivals have been reported by Hamlin Memorial Hospital since last week's report in The Herald. A girl and a boy, the new citizens are:

A girl for Mr. and Mrs. Paul Hallford, who was born February 9 at 5:35 p. m. Weighing seven pounds one ounce, the little miss has been named Palma Sue.

A boy for Mr. and Mrs. Robert Capshaw, who arrived February 17 at 2:10 a. m. Tipping the scales at eight pounds three ounces, the young man will answer to Robert Forest.

Who's New This Week

Born to Mr. and Mrs. George G. Dickinson of 423 Gregory Way, El Paso, on February 9, 1953, a seven-pound girl, who has been named Deborah Lynn. Mrs. Dickinson will be remembered as Doris Fae Elkins, daughter of Mr. and Mrs. W. C. Elkins of Hamlin.

BROTHERHOOD SOLVES MANY ILLS TODAY

For centuries, civilization has fought to gain and preserve the basic human rights of religious freedom, tolerance and the brotherhood of mankind.

We think it is indeed fortunate that a nation-wide organization, the National Conference of Christians and Jews, has dedicated itself to keeping those ideals alive. We believe it to be of everlasting importance that a free people never lose sight of the necessity of spreading the kinship of man under God.

This is, of course, a year-around proposition. But since 1934, a Brotherhood Week has been held annually under auspices of the Conference to dramatize universal dependence on the need for true religion in the crusade

for liberty and democracy. This year, Brotherhood Week will be held the week of February 15-22.

Now perhaps more than ever before, America faces a challenge from a godless philosophy that would destroy material strength against the threat of Communism. But despite this, the united cause against the enemy could be weakened were we to become divided by intolerance and bigotry.

Acceptance of the meaning of Brotherhood Week can help build up spiritual and moral power vital to this fight. The Herald is proud to support the week and urges the public of Hamlin to participate.

RECALLING Other Years

☆ Being news items taken from old files of Your Home Town Newspaper, The Herald

TWENTY YEARS AGO.

Several Hamlin citizens attended a rally of the recently organized Allied Forces for Law Enforcement and Prohibition held at Stamford Sunday night at the First Methodist Church. Judge Otis Miller of Anson introduced Dr. J. D. Sandefer, president of Simmons University of Abilene, who delivered the address of the evening.

The following news briefs are taken from the issue of The Hamlin Herald dated February 17, 1933:

A complete surprise was given the folks of Hamlin last Sunday when it was learned that J. D. Greenway and Ruth Wilson had hid away to Anson and were united in marriage. J. D. is the son of Mr. and Mrs. J. C. Greenway, and the bride is the daughter of Mr. and Mrs. O. K. Wilson.

Hamlin Cotton Oil Mill was advertising cottonseed meal for use as a fertilizer for area farms. Price of 70 cents per 100 pounds was quoted by the mill.

Mrs. Duffield Smith and son, Duffield Jr., of Dallas are visiting in the H. O. Cassle home.

TEN YEARS AGO.

The following bits of news were taken from the issue of The Hamlin Herald dated February 15, 1943:

Ammunition for Hamlin area farmers and others can be sold only under government approved applications, according to an ad of John T. Day & Son.

Mrs. Lala Harbert and daughter, Mrs. G. P. Odom, went to California the past week to visit Bill Harbert, who is in training at Camp Elliott.

Mrs. Clinton Barrow left last Sunday for California to visit her sailor husband for a few days.

Hamlin area people are being urged to participate in the drives to gather tin cans, waste fats, silk and nylon, to be reprocessed for the American war effort.

Hamlin has been assigned a Red Cross fund quota of \$1,590, according to Harold Bonner, community drive chairman.

Members of the Eastern Star Lodge of Hamlin honored Mrs. Ira Clements, deputy grand matron of District 2 of Texas with a dinner in the banquet room of the Masonic Hall Tuesday evening.

Lieutenant Dr. Joe McCrary is now located at the station hospital at Camp Barksley, near Abilene.

FIVE YEARS AGO.

From the issue of The Hamlin Herald dated February 13, 1948, the following news briefs are reprinted:

Hamlin's new Memorial Hospital will stage its formal open house Sunday afternoon from 2:00 until 6:00 o'clock. W. C. Russell, chairman of the board of directors of the hospital, will be master of ceremonies.

J. C. Turner Jr., Hamlin attorney, has been named community chairman for the annual Red Cross membership drive.

Prizes of \$350 have been posted by the Hamlin and Anson Chambers of Commerce for a livestock and poultry show for Jones County 4-H Club and Future Farmers of America boys. The show will be held at Hamlin February 21.

A daughter, Jonel, weighing eight pounds four ounces, was born to Mr. and Mrs. John Edwards Thursday. Mrs. Edwards is the former Earlene Johnson.

Hamlin has raised nearly \$500 for the March of Dimes, according to Mrs. V. R. Bond, local campaign chairman.

ONE YEAR AGO.

From the issue of The Hamlin Herald dated February 15, 1952, the following news briefs are reprinted:

Hamlin City Council promised action soon on the petition submitted by 178 citizens of the town requesting an election to vote on whether parking meters will be retained in the city.

C. C. Bailey, Hamlin merchant, this week predicted that the long drought experienced by this section is just about at an end. He had a "presentiment" that it would rain soon.

Twenty Hamlin High School boys who are members of the Future Farmers of America were scheduled to leave this (Friday) morning for San Antonio to attend the San Antonio Livestock Exposition.

Johnnie Agnew, member of the Hamlin school board and prominent farmer living southeast of town, is leading a "straight-laced" life these days. He is wearing a special jacket that keeps his body rigid following a serious backbone operation performed recently at Abilene.

Fort Worth Market Swamped with Cattle Shipments After Two-Week Lull

After a couple of weeks of lighter supplies of cattle around the major market circles, followed by strengthening prices, the gates flew open again this week and over 111,000 cattle were reported at 12 markets on Monday, reports Ted Gouldy, special market reporter at Fort Worth, in his weekly release to The Herald. Prices sagged from 50 cents to \$1.50 per 100 at Northern points.

At Fort Worth, despite the fact that a big percentage of the run was fed yearlings and steers, the market was less drastically lower. Sales of fed steers and yearlings opened steady, and closed 25 to 50 cents lower. Other kinds of cattle were fully steady, with cows and bulls in good demand. Fat calves moved at firm prices, some high quality calves and yearlings stronger.

Fat and feeder lambs were around steady to 50 cents higher. Old sheep and yearlings were steady. Butcher hogs were 25 to 50 cents higher, topping at \$20.75 and \$21 on Monday. Sows drew \$16 to \$19, or 50 cents higher.

Good and choice fed steers and yearlings drew \$10 to \$23.50; plain and medium kinds \$13 to \$19. Stocker steer yearlings sold at \$22.50 down. Fat cows sold from \$14 to \$16.50, with canners and cutters from \$10 to \$14. Fed cattle came from a wide area to Fort Worth Monday. E. H. Slaton of Adgen, Arkansas, had 102 steers at 1,026 pounds at \$20; and from across the full length of Texas at Tornillo (El Paso County) the Allison Farms shipped 31 heifers at 842 pounds at \$22.50 and 22 steers at 898 pounds at \$22.

From South Texas, Bentzen Brothers of Mission had 74 yearlings at 434 pounds at \$20.50; and Simmons & Perry of Corpus Christi had 40 steers at 1,135 pounds at \$23. Other South Texas shippers were Connally-Hicks Cattle Company of Floresville, two loads of \$22 calves; Muleshoe Cattle Company of Northwest Texas (Wilbarger County) had a load of 571-pound yearlings at \$22; Amherst in the Texas Plains was represented by Halsell Cattle Company with a load of heavy 940-pound heifers at \$20.

Good and choice fat calves brought \$19 to \$23.50; cull, common and medium kinds drew \$11 to \$19. Stocker steer calves cashed at \$24 down. Stocker cows brought \$12 to \$18, and bulls \$12 to \$18.

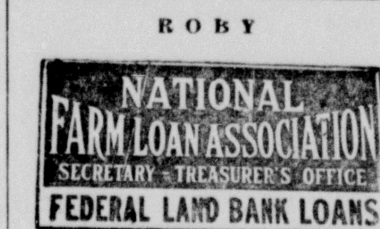

Woolled fat lambs netted \$18 to

More Funds Available For Emergency Hay

Additional funds have been made available for the purchase of drought emergency hay, and additional orders are now being accepted by the Production and Marketing Administration office at Anson, says C. H. Young, chairman of the Jones County PMA committee.

All producers who will need additional hay should file their applications as soon as possible, says the chairman, in order that the hay may be ordered and secured at an early date.

\$19.50; shorn kinds, No. 2 and No. 3 pelts and good and choice drew \$18 to \$19.50 Stocker and feeder lambs drew \$14 to \$19.50. Fat yearlings and twos, shorn, drew \$16 to \$17. Slaughter ewes sold for \$7.50 to \$9.50.

The greatest sin—fear; the best day—today; the best town—wherever you succeed; the best play—work; the greatest mistake—giving up; the most dangerous person—the liar; the most disagreeable person—the complainer; the greatest need—common sense; the most ridiculous asset—pride; the most expensive indulgence—hate; the cheapest and most stupid thing—finding fault; the secret of production—eliminate waste.

Worry Is Debilitating

Work is healthful. Work does not kill men . . . it worries. Worry is rust upon the blade—it takes off the keen edge. It is not the revolutions that destroys machinery—it is the friction. Energy spent in worry can never be utilized for accomplishment.—Hen Sarling.

No Real Shake-Up

Despite the popular notion, a relatively small percentage of federal job-holders are to be displaced as a result of the election. It is estimated that at least 95 per cent of the approximately 2,600,000 civilian employees of the executive branch are secure in their present jobs, barring drastic payroll cuts.

Practically all of these employees are protected by civil service laws, providing procedural safeguards against arbitrary dismissals. The other five per cent, which generally takes in most of the top policy-making force, comes in for different consideration. This policy-making group always changes considerably with each new administration.

Perhaps the total of important posts to be filled by the new administration will number as many as 2,000, though some estimates place the figure much higher. Topping the list will be the nine cabinet members, all under-secretaries, assistant secretaries and other top bureau officials. The largest group in this category is the bureau chiefs, whose jobs are not necessarily secure, though most of them are likely to stay on. Some have civil service status.

Subject to removal are some 58 ambassadors and 25 ministers, half of them career men in the foreign service, who would probably be transferred, although not dismissed. Postmasters, who have traditionally been displaced by changes in administrations, are now under civil service.

Government is not mere advice; it is authority with power to enforce its laws.—Washington.

Congressman Continues Fight for Good Prices for Farm and Ranch Products

Congressman Omar Burleson of the 17th Congressional District, who lives at Anson, has this to say in his weekly release to The Herald from Washington, "As It Looks from Here":

Attending a banquet the other evening given by the radio and television newscasters, I sat at a table with Lowell Thomas, H. R. Baukhage, H. V. Kaltenborn and several other commentators and news announcers with whom most of you are familiar. At the affair were Gabriel Heatter, Fulton Lewis Jr., Cedric Foster and about everyone else in the business.

The subject of tidelands arose and, being the only Texan at the table, I found myself in the minority favoring state ownership. Mr. Baukhage turned to me and said that, although we disagreed on this subject, he thought we could discuss the development of Santa Gertrudis cattle without any argument.

Mr. Baukhage told me he had purchased several head from the King Ranch for a place he has in Florida. Incidentally, few of them knew that the Santa Gertrudis is the only breed of cattle wholly developed in this country. Neither did any of them know, except Mr. Baukhage, that these cattle have sweat glands which enable them to do well in a very hot climate. My distinguished and learned associates on that occasion also did not know that the Santa Gertrudis was able to flick its muscles and move its hide, as does a horse, in warding off flies, which his another very great advantage of the breed.

The agriculture committee of the Congress is giving consideration to the decline in farm prices and those of us from the agricultural areas of the country have rallied upon Secretary of Agriculture Benson to give the matter his immediate attention. The secretary has had laid before him the proposition that the farmer cannot purchase manufactured products, which includes a lot of very high priced farm machinery, unless he receives a decent price for what he raises. When the farmer cannot buy these items, it will put people out of work in the Northern and Eastern industrial areas. When that happens, a depression is pretty well on its way. It is as simple as that, and it is time that something be done.

A meeting of the nation-wide farm labor committee has just been concluded here in Washington. I attended the meetings and the secretary of labor, Martin Durkin, assured us that the general policies in connection with farm placement labor will be continued. This, of course, includes migratory farm workers from Mexico.

Those of us from Texas believe that revisions should be made in

the present system which would allow the farmer and rancher to secure Mexican labor without so much red tape. We believe a system known as the "work card" should be used instead of the cumbersome contract method now required. It certainly would be a cheaper method than that now used.

We also believe that the Farm Placement Service should be taken out of the Department of Labor and placed under agriculture for the obvious reason that it is in the interests of agriculture. We believe this department of the government should be better qualified than the Department of Labor to understand the problems involved.

On the front of the Archives Building here in Washington, where official government papers are preserved, is this inscription: "What is past is prologue." This inscription suggests to us that the past points the way to the future and that only a beginning has been made in the development of this country. A visitor to Washington asked a taxi driver the meaning of "What is past is prologue," and his reply was in my opinion about the best that could be said about it. He said that "It's just some high falutin' government language that means 'You ain't seen nothin' yet!'"

Roy Carmichael, Hamlin Business Man, Dies Tuesday

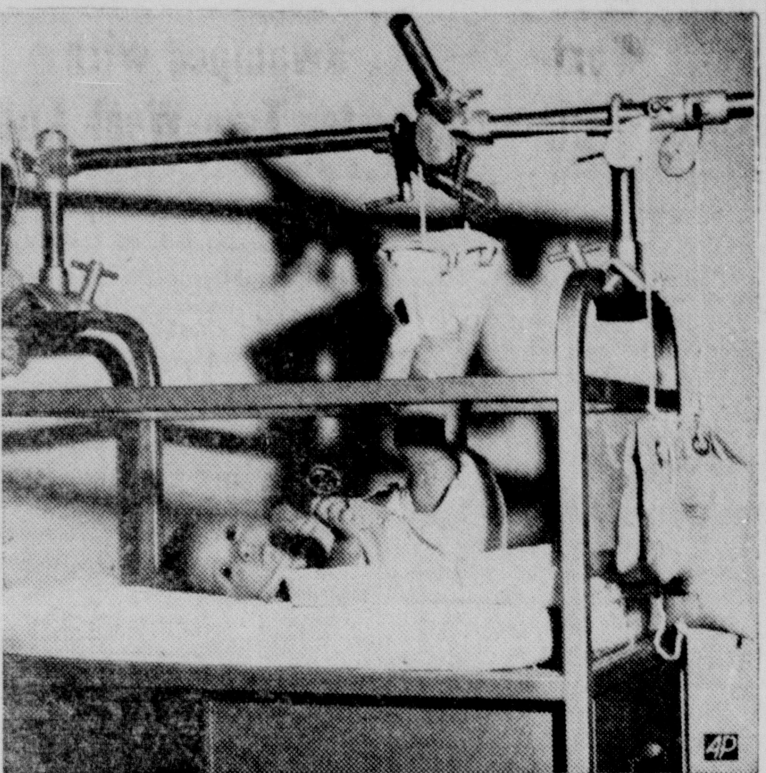

Roy Carmichael, 65-year-old Hamlin business man who came here in 1934, died Tuesday night in Hamlin Memorial Hospital at 9:45 o'clock after an illness of two weeks. He had suffered a heart attack recently.

Born July 29, 1887, in Morrisville, Tennessee, Carmichael came to Texas as a young man. He married Esther Huntington at Cisco in 1909. The couple moved to Cross Plains shortly after their marriage, living there until they moved to Hamlin in 1934. He had been associated with his sons in the automobile business in recent years.

Funeral services were conducted at the First Baptist Church at 5:00 o'clock Wednesday afternoon. Rev. Miles B. Hays, pastor, officiated.

Interment was in the Hamlin East Cemetery, under the direction of Barrow Funeral Home of Hamlin.

Survivors are the wife, Mrs. Esther Carmichael of Hamlin; three sons, Art, Harry and Stanley, all of Hamlin; one daughter, Mrs. Jim Howard King of Hamlin; and three grandchildren.

BEAUMONT'S "MILK RUN" BABY—Leo Donald Duhon, three-month-old son of Mr. and Mrs. Leo Duhon of Beaumont, doesn't seem particularly perturbed by his unorthodox position in a Beaumont hospital. His mother fell down while carrying him and he suffered a broken leg. A dairy truck took him to the hospital when the traction bed would not fit in an ambulance.

CLUB SHOW

(concluded from page one)

parments. Civic clubs of the county, including the Hamlin Lions Club, will provide trophies for the grand champion winners in each class.

Judges of the show are to be Frank Martin, county agent of Haskell County, who will judge beef cattle and swine; T. W. Cloby, assistant professor and manager of the Abilene Christian College farm, who will judge dairy cattle and capons; Curly Hays, agriculture and livestock director of West Texas Utilities Company, and Bill Coalson, Abilene High School vocational agriculture instructor, who will judge showmanship; J. I. Moore, Abilene High School vocational agriculture instructor, who will judge sheep; and William Davis and Frank Crowder of Stamford, who will judge record books.

General superintendents of the show, sponsored by the agriculture committee of the Jones County Chambers of Commerce, are Weldon Holbrooks, Gerald Proctor and Cleve Waldrup. Lee Walker, Ryland Gleaton and C. M. Lester are secretaries of the show.

Ed Sprowles of the Anson Observer, Roy Carig of the Stamford American, June Jones of The Hamlin Herald and officials of Radio Station KWFT comprise the publicity committee.

Sam Baize and J. M. Ashcroft head the beef cattle division; G. C. Carothers Jr. and Frank Sims head the sheep division; Cecil Eager is poultry section superintendent; Roy Moritz and V. B. Rowland are superintendents of the dairy division.

Several members of the Hamlin Lions Club indicated this week they will attend a charter night program for the recently organized Albany Lions Club Monday evening at the Shackelford County capital, according to Claude Lancaster, president of the local club.

I. R. Huchingson of Hamlin, district governor of District 2-E, will participate in the ceremonies.

March 6 Set as Date for Play by Hamlin Seniors

March 6 has been set as the date for presentation of the annual play of the senior class of Hamlin High School. The play will be given in the high school auditorium at 7:30 p. m. under the direction of Mrs. Austin Poe, senior class sponsor.

The play, "Father Was a Housewife," written by Vera and Ken Tarpley, is about psychology. This one is about that exceedingly rare personality, Tom Butler, a father who stays home—makes beds and does the dishes, cleans the house and bakes pies, gossips with the neighbors—all this while his wife, Dr. Ann Butler, devotes herself to her many patients at the office and hospital. The Butler children, twins, Julie and Doug, who play an excitingly important part in the story too, are in high school, or supposed to be.

Members of the cast include Marylee Roland, Joe Ray Rosenbaum, Nona White, Marvin Johnson, Jerry Lee, Joe Don Hymer, Clark Hewett, Guy Weaver, Maxine Crawford, Jo Ann Carroll, Laverne Higdon, Dorothy Lujan, Robert Fletcher, Allene Reynolds and Jo Ann Holmes.

The production cast includes Don Johnson, J. R. Rhoton, Ann Watts, Kathryn Darden, Robert Rhoton and Jack Wright.

Between-act specialties include James and Jere Lynn Burkhardt, Louella Brigham, Glenn Smith and Jeanne Jones.

Proceeds of the play will help on the expenses of the senior trip, which all members of the class plan to take in May, and also help pay on a gift that will be left to the school to commemorate the class of 1953, Mrs. Poe says.

LINTERS VALUABLE

Cotton linters are classified by the Army as strategic materials of war. They are the purest source of alpha cellulose—the chemical base of many war products—and are the only acceptable raw material that can be utilized in the production of several essential chemicals.

DOWNED RED BOMBER—Lieutenant Raymond A. Kinsey of Hale Center (above) shot down a Russian-built TU-2 bomber recently—the first enemy bomber downed since November of 1951. Kinsey, one of 11 Sabre-jet fliers of the Fourth Interceptor Wing in Korea to take after the Reds on a radar warning, made three firing passes. The bomber caught fire and fell into the Yellow Sea. Mrs. Kinsey lives at Boerne, and his parents at Hale Center.

Frank Jenkins to Talk At Brotherhood Meet

Frank Jenkins, prominent layman in the First Baptist Church at Sundown, will be the speaker at the monthly meeting of the Brotherhood of the First Baptist Church Tuesday evening, according to W. R. (Bill) Terry, program chairman.

Jenkins is a former resident of the Hamlin area, and is known to many of the men of the local congregation.

McMurry College Students to Lead in Faith Church Services

Students from the religious department of McMurry College at Abilene, members of a deputation team, will have charge of services at the Faith Methodist Church, 920 Southeast Avenue B, Sunday, it is announced by Rev. Orion N. Lewis, pastor.

The sermon at the 11:00 o'clock worship hour will be delivered by Harold Rucker. The students will conduct a program for youths at 6:00 o'clock, and will bring the evening worship service at 7:00 o'clock.

The public is invited to attend all the services Sunday, Rev. Lewis declares.

Following the evening services a recreational hour will be conducted for the young people of the community.

McCaulley Boys Go to Houston Stock Show

Three McCaulley 4-H Club boys left Saturday to attend the Houston Stock Show. They were Lloyd Bowen, Chick Carter and Frank Crowder.

Young Bowen was scheduled to participate in a calf scramble at the Houston exposition.

Business Women Discuss Building Community Club House for Hamlin

A community club house was the topic of an interesting discussion at the meeting of the Hamlin Business and Professional Women's Club which met in the home of Mrs. E. M. Wilson on Northwest First Street Tuesday evening at 7:30 o'clock.

Soangetaha Camp Fire Girls Entertain VFW Auxiliary Members

Girls of the Soangetaha group of Camp Fire Girls entertained their sponsors, members of the Ladies' Auxiliary of the Veterans of Foreign Wars, Thursday afternoon. The auxiliary has sponsored the same group of Camp Fire Girls for the past three years.

The hut was decorated in the Valentine motif, with an arrangement of pink flowers as a centerpiece on a blue table.

Program for the occasion was given by the Soangetaha members. The Trail Seekers' desire was given by Phyllis Hollis, followed by the Camp Fire Girls law, sung by the entire group. Rebecca Ann Ferguson and Judith Ford presented a cowboy skit, after which Brenda Hargrove played a selection on the accordion. A quartet composed of Beth Cochran, Brenda Hargrove, Martha Jane Gage and Bunney Patterson sang "A Mansion Over the Hilltop," accompanied by Mrs. Bennie Ford. In conclusion, the entire group sang "So Long."

Members of the Soangetaha group are: Rebecca Ann Ferguson, Martha Jane Gage, Lana Claude Lancaster, Karen Dutton, Lillie Sue Austin, Cynthia Ann Patterson, Peggy Dodd, Carolyn Current, Brenda Hargrove, Judith Ford, Ann Maberry, Ruth Cochran and Phyllis Hollis.

Mothers helping Mrs. G. T. Black, guardian, with the affair were Meses. Ralph Gage, Thomas Ferguson and Bennie Ford.

It was proposed that the club set aside a substantial amount of funds on hand as a building fund for a community club house and add to the fund as the money is available. The project was referred to the finance committee for further action.

Twenty-three members answered to roll call with a news item from The Texas Woman or The Independent Woman, official organs of the B&PW Clubs.

Mrs. Maurine McCurdy and Mrs. Clota Mae Tegar were elected to membership in the Hamlin club.

The group voted to share responsibility with other clubs of the city in the coming Red Cross campaign.

The March 3 dinner meeting of the club will be held in the high school cafeteria, and the public affairs committee, headed by Pearl Hudson, will be in charge. Other members of the committee are Mrs. Homer Raney, Valeria Hudson, Mrs. Minnie Wilson and Mrs. W. B. Britton.

Women of Faith Methodist Church to Stage Sale of Articles

Women of the Faith Methodist Church spent Thursday of last week in the home of Mrs. D. W. Carlton. Each attendant carried a covered dish and an article to sew, embroidery, etc.

It was announced that a local merchant will permit the women to use a show window to display and sell the articles made by the group. The sale will be staged soon.

Attending the all-day gathering Thursday were Meses. Normy Crowley, H. M. Rawlins, Gerald Renfro, Bill Dorniey, Rollie Bond, E. A. Lawlis, Benny Ford, J. W. Perryman, O. R. Criswell and D. W. Carlton.

Musical Pupils of Mrs. McCrary to Give Musicales Sunday

Music pupils of Mrs. J. W. McCrary will be presented in a Sunday afternoon musicale at the First Methodist Church February 22 at 3:30 o'clock. The public is invited to attend.

The following pupils will participate in the program: Sharon Cary, Phyllis Hollis, Danny Bruce, Wyvonne Conner, Dolores Killian, Ann Maberry, Beth Cochran, Ann Dickey, Koy Meason, Thelma Carroll, McClung, Shirlene Sparks, Martha Jane Gage, Ann Cochran, Shirley Nelson, Pauline Mayfield, Peggy Killian, Deane Haynes, Luo Ann Hawkins, Rodney Leonard, Sandra Smith, Sandy Lee Crawford, Brenda Hargrove, Deana McCracken, Joyce Whitley, Patsy Boatright, Milbra Carlton and Ethyle Sue Denton.

Ten Hamlin FHA Girls Will Go to Area Meet At Tarleton College

Ten Hamlin High School girls and two sponsors will attend the Area IV Future Homemakers of America convention at Tarleton State College in Stephenville on March 7. The delegates were named at a meeting of the Hamlin chapter Tuesday evening.

Purpose of the gathering will be to install the 1953-54 officers, study new ideas for the chapter program of work, and to provide leadership opportunities.

Named to attend the convention were Ann Cochran, Mary Lou Amerson, Louella Brigham, Patricia Daniels, Amanda Freeman, Lusara Dean, Marcene Crawford, Angela Malouf and Norma Jo Murff. Edith Scott and Mrs. J. E. Simmons, sponsors, will accompany the girls on the trip.

Service Class Group Meets for Luncheon

Members of the Service Sunday School Class of the First Baptist Church met in the home of Mr. W. R. Terry for their monthly business and entertainment meeting which included a luncheon at noon.

Following the luncheon Mrs. Joe Dutton brought the devotion, using the subject "Our Homes for Christ."

Members present were Meses. H. O. Cassle, Kenneth Scott, Bowen Pope, Francis Scott, W. S. Graham, O. L. Wallace, Joe Dutton, and associate member, Mrs. W. C. Weir, and the hostess.

Hitson Baptist Young People Feted in Payne Home at Banquet

The ranch home of Mr. and Mrs. Elbert Payne was the scene of the annual sweetheart banquet for young people of the Hitson Baptist Church Saturday night.

The living room was the meeting place where the visitors were introduced. On the banquet table was a cut-work linen cloth, the centerpiece for which was a caledium. Bright rose candles lighted the room, and shaded pink crystal and silver were used at the table. Place-cards were large Valentines standing on the programs, which also carried out the Valentine motif.

Program for the evening included these numbers: Invocation by June Hill; toastmaster, Edwin Hill; welcome, Tommy Greenway; response, June Berry; song, "Let Me Call You Sweetheart," by the group; prophesy, toastmaster; song, "Wonderful Story of Love," quartet; address, Rev. Danny Williams; benediction, J. W. Carlton.

Menu for the banquet featured cocktail, love bird dresses, golden nuggets, pods in a nest, tossed gathering, lover's knots, sour spots, February pudding topped, dew drops.

Those present were Erma Fay Kelly, J. W. Carlton, Milbra Carlton, Tommy Greenway, Sarah Berry, Wanda Brown, Gene Greenway, Edwin Hill, June Hill, June Berry, Hoyle Brown, June Hill, Joe E. Brown and special guests, Lunelle Lewis and Rev. Danny Williams.

Mrs. Payne prepared the banquet, with assistance from other women of the church.

Crowning of King and Queen to Feature Observance of 4-H Club Week in County

Local observance of National 4-H Club Week, March 7 to 15, will be staged in Anson Saturday, March 14, according to Bill Lehmberg, county agent, and Jimmie

Wainscott, county home demonstration agent. Program for the observance is to be planned by the Jones County 4-H Council when that group meets Saturday, February 21.

Highlight of the program will be the crowning of the 4-H Club King and Queen. Each year the clubs sponsor the King and Queen contest to stimulate interest and to help raise money for recreational purposes. Each boys' club nominates a candidate for King, and each girls' club nominates a candidate for Queen. These candidates are voted on at a penny a vote in the various communities, and the one with the most votes wins the contest.

Candidates from the various clubs are: For King—Billy Murfi of Hamlin, James Allred of Noodle, David Wimberley of Anson, Tony Ham of Avoca, Wayne Cox of Luaders, Gilbert Harris of Hawley and Larry King of the Hodges club; for Queen—Lois Andrus of Anson, Nancy Hix of Lutters, Paula Ivie of Avoca, Jimmie Frances Wilkerson of Hawley, Caryn Kay Cooley of Hodges and Dora Eoff of Noodle.

Program and coronation will be staged in the Anson Ward School gymnasium on Saturday, March 14.

Webb Brothers Sow Rye and Vetch as Soil Improvement Crops

Ernest and Milton Webb have 35 acres of abuzzi rye and hairy vetch cover crops on their farm seven miles northwest of McCaulley, which is doing a good job of protecting their land from blowing. The rye and vetch cover crop was planted in September. Besides protecting the land, the cover crop has furnished grazing for the Webb brothers' cows since December.

The Webbs have planted rye and vetch for cover crops and grazing each year since 1947, Ernest reports. They inoculate the vetch and usually apply super-phosphate fertilizer at about 200 pounds to the acre. The vetch crop produces nitrogen which enriches the soil.

The Webb brothers also have 40 acres of crop residue which is doing a good job of protection against wind erosion. These measures are part of their coordinated soil and water conservation program they follow in cooperation with the California Creek Soil Conservation District.

Mrs. John Hymer Wins Lamesa Recipe Prize

Mrs. John Hymer of Lamesa, who moved last fall from Hamlin to the Dawson County capital to make her home, was named first place winner in the "best cook" contest sponsored last week by The Lamesa Daily Reporter.

She received a cash prize of \$10 as the top winner for her recipe for hot rolls.

Of course, teaching old Texans new tricks wasn't easy, as this photo taken at Mesa and Texas Avenues shows.

New Jones County Review to Feature Business Directory

First edition of the Jones County Review will be ready for distribution in Jones County on March 1, complete with all the changes in local, county and city offices as of January 1, 1953, according to announcement by Gulf Directory Publishers Corporation in cooperation with the Texas State Directory.

The Jones County Review will follow the plan of the Texas State Directory, but will confine its data to the single county in order to more clearly emphasize this county's growth and progress in industrial activity, population, bank deposits and general wealth, making some comparisons with adjoining counties' per capita wealth.

The Review will biographically sketch the county's birth and political background, revealing the colorful career of Anson Jones, for whom the county is named. Almanac data in the Review will make the edition a handy reference book for farmers, merchants and citizens of Jones County. The initial edition of the Jones County Review will be distributed without charge to those desiring a copy, and may be obtained at any city or county office in Jones County or at any Chamber of Commerce in Jones County.

Hamlin Firemen Go to Haskell to Help Plan For Wes-Tex Session

Seven members of the Hamlin Volunteer Fire Department went to Haskell Monday evening to meet with Haskell firemen for the purpose of discussing plans for the forthcoming convention of the Mid-West Texas Firemen's Association. The semi-annual gathering of the group will be staged at Haskell on Thursday, April 2.

Haskell is the newest member of the area firemen's group, having been invited to join by the Hamlin firemen. Seventeen mid-West Texas cities are members of the organization, of which Jake Lawson of Hamlin is vice president. Lawson presided at the meeting in the absence of President A. D. Parker of Rotan.

Attending the Haskell meeting from Hamlin were Hamlin Chief Lee Hastings, Lawson, June Jones, Bill Thompson, Sol Branscum, Ed Branscum and Travis Conner.

ACCIDENTS ALARMING.

About 60 of every 100,000 farm residents lost their lives from unnecessary accidents during 1951.

The misfortunes hardest to bear are those which never happen.

Farmers Interested In Mexican Labor For Cotton Harvest

While cotton crops have been so small the last three years in the Hamlin area, use of Mexicans has not affected the labor situation much in the territory. But farmers still are interested in developments along the labor front for future harvesting.

Secretary of Labor Durkin said this week he will ask renewal of the law under which the U. S. contracts with Mexico to send farm laborers to this country.

Last year about 200,000 workers were brought in by this accord.

Durkin spoke to a special farm-labor committee assembled at Washington for two days of meeting. The committee works out plans for importing the Mexicans.

Durkin also said there is a surplus in the fund which finances the Mexican workers' transportation, and expressed hope for reduction of the U. S. farmer's contribution of \$15 for each laborer.

Texas farm leaders attending the meeting urged elimination of red tape in the Mexican farm worker program.

Hamlin Falls Short of March of Dimes Goal

Indications Wednesday were that Hamlin had fallen short of its March of Dimes goal by about \$130, community drive chairman, said. Total of \$1,272 had been reported at that time.

While no definite quota had been assigned Hamlin, the chairman was hopeful of raising as much as had been raised last year, which was about \$1,400.

Eighteen Boys Report This Week for Try-Outs in Track

Coach Expects Hamlin to Take District Honors

Eighteen Hamlin High School boys reported Wednesday afternoon to try out for berths on the Pied Piper track team when Head Coach Vernon Townsend issued his first call of the season. A few others may report for duty, Townsend said.

From these candidates a formidable crew of thin-clads are expected to be put on the track and field that will make other schools in District 5-A hesitate to op. In fact, Townsend declared his week that he hopes to win district contests with several of his boys, who will go on to the regional and maybe a few to the state events.

First inter-school matches for the team will be in the Snyder relays on March 15. Other relays already scheduled include the Brady relays on March 21 and the Bluebonnet relays at Brownwood on March 28.

District 5-A meet for track and field events will be held at Merkel v. Colorado City on April 11, when teams from Merkel, Colorado City, Roscoe, Roby, Rotan and Hamlin will compete as representatives from the western side of the district. Competing in the eastern half of the district will be Stamford, Anson, Haskell, Albany, Throckmorton and Munday.

Hamlin's team will go to the Abilene relays on April 18 and the district winners will go to the regional contests at Brownwood on April 25.

Reporting Wednesday on the wide rapids were Robert Fletcher, Pete Cowan, James Eddie Jay, Doyle Bringer, Joe Don Hymer, Kenneth Barnett, Don Kelly, Milton Butler, James Burkhardt, Glenn Smith, Clark Hewitt, James Boyd, Jimmy Ray, W. H. Hallmark Jr., Kenneth Rowland and Jackie Drummond.

Faculty Hobbles to Classes After 56-43 Defeat by Pipers

To the surprise of most Hamlin High School students—and maybe to even some of the members of the faculty—classes were held as usual Wednesday morning. Not without difficulty, however, did some of the "old men" of the faculty make it to the classes.

The tottering faculty, self-admitted best basketball players in these parts, had some of the starch and all of the wind taken out of them Tuesday night when the regular Pied Piper cagers showed them how the game is played in modern times. The demonstration looked like 56 to 43 on the scoreboard when the melee was called by the time-keeper.

The varsity-faculty basketball game is an annual classic at the close of the basketball season. With ex-college players on their playing roster, the faculty team had begun to pity the poor Pipers before the starting whistle.

John Taylor, newest member of the faculty, and head basketball coach, led the faculty members in scoring with 13 points. Vernon Townsend looped 11 for the teachers. Robert Fletcher was high point man for the Piper, sinking 13 tallies.

Box score on the classic follows:

Varsity (56)	FG	FT	PF	TP

Hamlin Boxers to Meet Breckenridge Glovers Tonight

Don McLaughlin's Hamlin High School boxers, after about two weeks of rest from matched bouts, have three more nights of boxing before winding up their season, the coach announced this week.

Tonight (Friday) the glovers will stage a match with boxers from Breckenridge at the Hamlin High School gymnasium. Anson, Stamford and Rotan will furnish some matches for the preliminaries. The bouts get underway at 7:30 o'clock.

Tuesday night will be the first of a two-night invitation tournament, with the finals scheduled for Friday night, February 27, in the high school gymnasium.

For the Friday night bouts with Breckenridge, Billy Kelly, runner-up in the Abilene regional fly-weight novice class, is expected to be fully recovered from his cut eye and head injuries sustained in the Abilene finals.

"We have received several requests from heavier Hamlin boys to enter the tournament," McLaughlin said Wednesday. "We wish we could have received such requests from some of these boys earlier in the year."

Awards for the winners in next week's tournament are expected to be received this week-end, says McLaughlin. They will be placed on display in several business establishments in Hamlin.

Pied Pipers Tounce Colorado City in Last Cage Game, 51 to 44

Hamlin High School's Pied Pipers wound up their District 5-AA basketball season last week-end with a 51 to 44 victory over the Colorado City Wolves, played Friday night on the Wolves' home court.

The win gave the Pipers four games won and six lost in conference play, making a final percentage of .400 for the season. This average placed them in fourth place in the six-team standing.

The tilt was a nip and tuck affair for the rival crews, with the score wavering all during the game, witnessed by a fair sized turn-out at Colorado City.

Individual scoring honors were divided between three players, with Glenn Smith of Hamlin and Berman Corbell and Don Maynard for Colorado City each looping 13 points.

In the girls' game, the Colorado City crew defeated the Piperettes 41 to 30. A separate story is carried on this game.

MASKED MAN—Paul Nolen (above) six-foot 10-inch center on the Texas Tech basketball team, broke his nose on the eve of a game with West Texas State. This plastic football mask was rigged up and Nolen in 21 minutes of playing time tallied 20 points—which didn't hurt his nose or his team. Tech won 79 to 68.

High School Cagers Slate Busy Schedule

A busy schedule of basketball games is on the slate of the Hamlin High School girls' team for the next several days.

The Piperettes will play Merkel girls here tonight (Friday) at the Junior High School gymnasium, and will play Aspermont here Monday night.

Next Friday and Saturday the girls will go to Colorado City for an invitation tournament, slated in the Colorado City High School gymnasium. The Piperettes will meet Merkel girls in the first round next Friday evening at 7:00 o'clock, according to Dora Mitchell, coach of the girls.

Letters and Sweaters Awarded to B String Football Players

Letters and sweaters were last week awarded to seven members of the Hamlin High School second stringers, it was announced this week by Head Coach Vernon Townsend.

B Squad boys getting sweaters for their activities in football during the season last fall were Justin Rowland, W. H. Hallmark Jr., Bobby Hopper, Tommy Hester, Hoyle Brown, Lee Maberry and Doyle Brinegar.

The sweaters are of grey wool with green letters. The first stringers had received grey reversible jackets with green letters several weeks ago at the annual football banquet.

Colorado City Girls Beat Piperettes in Tilt Here, 41 to 31

Hamlin High School girls' basketball team took a 41 to 31 beating Friday night at the hands of the Colorado City crew in a fast game played on the Junior High School gymnasium.

Ella Mae Turner was high pointer for the locals with 19, while Mary Golden topped the Colorado City scoring with 17 points.

Box score on the tilt follows:

McCaulley Graders Defeat Noodle Teams

Seventh and eighth grade boys' and girls' basketball teams from McCaulley won two games from the Noodle teams last Wednesday.

McCaulley girls defeated the Noodle crew 12 to 5. High point scorer was Babs Henderson for McCaulley.

McCaulley boys took their tilt by a 25 to 13 count. High point boy was George Davis.

20 Junior High School Gridders Get Sweaters From School Friday

Twenty members of the Junior High School football team were awarded sweaters last Friday for their work with the past season's football activities at the Hamlin school. One of those receiving sweaters was the manager of the team.

Coach John Taylor presented the sweaters with ceremony to the boys last Friday. The sweaters are of green wool, bearing the white letter H with the word Juniors.

Receiving the sweaters were Kenneth Hewitt, Dewey Hartin, K. T. Scott, Rodney Spaulding, Holly Toler, Bobby Brown, Joe Brown, Clarence Parker, Lawrence Houghton, Hubert Lakey, Joe Pat Riley, Clifford Green, Lane Fletcher, Alton Lakey, J. B. Weaver, James Putnam, Muriel Don Smith, Carl Bond and Douglas Ford, players; and Billy Fincannon, manager.

DePriest School Cagers Win and Lose Games

DePriest Colored School's basketball teams won two and lost two games over the week-end.

The teams went to Aspermont Friday night to meet the Longfellow cagers. The DePriest boys won their tilt by a 56 to 19 score, but the Steerettes lost their game to the Longfellow girls by a 27 to 24 count.

Saturday night the teams went to Sweetwater. For the first time since 1949 the Steers defeated the Sweetwater boys, the score being 41 to 30. The Steerettes again lost their tilt by a 47 to 27 score.

Both the boys' and girls' teams will play the Abilene Black Eagles at Aspermont tonight (Friday).

Remember that highway safety is a life and death matter.

Revised District 5-AA Football Schedule Drops Merkel from Loop Competition

Four home games and six on the road are on the menu of the Hamlin Pied Pipers for the coming fall's football season, it was revealed this week with release of the revised schedule of games as arranged by the District 5-AA athletic council held Wednesday at Rotan.

There will be only five teams in the district competition next season. Merkel sustained losses in high school enrollment which dropped her back to Class A competition. No other school is being added to the district.

The Pied Pipers will play most of the same teams for the next season they have played in recent years. Paducah and Merkel have been dropped from the schedule and Spur and Roby added to the playing list.

There are the usual 10 games on the 1953 schedule. Although an open date appears for November 6, no other tilt will be played by the high schoolers, inasmuch as 10 games are all permitted for the various teams.

Complete schedule, as released this week, follows:

September 11—Winters at Hamlin.
September 18—Haskell at Haskell.
September 25—Ballinger at Ballinger.
October 1 (Thursday)—Roby at Hamlin.
October 9—Roscoe at Roscoe.
October 16—Spur at Hamlin.
October 23—Colorado City at Colorado City.*
October 30—Anson at Anson.*
November 6—Open.
November 13—Rotan at Rotan.*
November 20—Stamford at Hamlin.*

* Denotes conference games.

Methodist Radio Series Will Begin Sunday Morning

Members and friends of the Methodist Church in the Hamlin area are advised this week that the eighth annual Methodist radio program over the Protestant Hour network of more than 170 stations will be heard for the next 11 weeks. Featured as speakers will be Dr. Robert E. Goodrich Jr. and Bishop John W. Branscomb.

Dr. Goodrich, pastor of the First Methodist Church in Dallas and formerly pastor of churches in Port Arthur, Houston and El Paso, is one of the outstanding leaders in the field of religious radio and television. Since 1950 his weekly dramatic TV program, "The Pastor Calls," has been recognized as one of the nation's best religious television programs.

This eighth series of the Protestant Hour is presented in cooperation with the National Council of Churches and the Methodist Radio and Film Commission. This program may be heard over Radio Station WFAA at 9:30 a. m. Sundays, according to Rev. S. Duane Bruce, pastor of the Hamlin First Methodist Church.

McCAULLEY NEWS

Baby Perryman, Correspondent

McCauley High School girls' basketball team has had a busy time recently. In a special game played at Anson gymnasium last Thursday night they were defeated by the Avoca girls by a 34 to 32 score. In the district game played February 12 at Trent the McCauley girls won by a 58 to 46 count. They girls played an exhibition game in the Klondike boys' district tournament and defeated the Knott girls 53 to 52. In the Divide tournament over the week-end the McCauley High School girls defeated Divide first place by trimming the host group 37 to 32.

At the Hardin-Simmons University invitation basketball tournament played several days ago Bonnie Sipes of the McCauley High School girls' team was presented a necklace in recognition of her making the all-tourney team. Joyce Jeffrey and Palma Lawlis received basketballs at the Divide tournament.

McCauley High School boys' basketball lost in the final round at the Divide basketball tournament last week after winning three games in a row. The McCauley boys defeated Ira 48 to 38; trimmed St. Joseph 58 to 55; downed Highland 49 to 28; and then lost to Hermleigh 54 to 52. George Decker and Calvin Fought were awarded basketballs as members of the all-tournament team.

Among those going to Klondike to attend the basketball tournament last week-end were Mr. and Mrs. Luther Maberry, Mr. and Mrs. Pratt Cox, Mr. and Mrs. Buddy Gibson, Mrs. T. E. Green and Dock Lawlis, along with Superintendent T. E. Green and members of the girls' team, and Billy Wayne Jeffrey, Jack Downing, Roy Cozart, George Decker, John Edd and Calvin Fought.

Rev. Lynn Knowles of Hardin-Simmons University, Abilene, filled the pulpit Sunday at the Baptist Church. Other visitors included Mr. and Mrs. Bowen and three daughters of Rotan. Mrs. Adams, Miss Lera, John Quincy Adams, who spoke to the senior Training Union.

Mrs. J. C. West and infant daughter are visiting the new grandparents, Mr. and Mrs. George West.

Private Kenneth J. Harugity is ill. He has been in an Army hospital for five weeks, his folks here have been notified.

Snowden Family Suing Construction Firms in Deaths

Deaths of former Garza County Judge H. M. Snowden and his wife, parents of Mrs. C. L. Howard of Hamlin, last November 30 on U. S. highways 83 and 84 eight miles south of Abilene were basis of a \$53,000 damage suit filed in 104th District Court Tuesday at Abilene.

Harold Snowden, Hiram Snowden, J. R. Snowden and Mrs. Julia Howard, joined by her husband, C. L. Howard, entered suit against Gaylord Construction Company. They assert defendant excavated a shoulder along the highway but put up no warning signs. Judge Snowden with his wife, the petition asserts, drove his car to the shoulder and "instead of the shoulder being there, it was excavated. The car dropped several inches, caused his car to run off the embankment, killing him and causing death of his wife."

In the items of charge was the loss of a \$1,000 automobile, funeral expenses of \$2,300, and loss of his earnings of \$50,000. Judge Snowden earned \$5,000 a year and had a life expectancy of 10 years, the petition claims.

DEBATABLE QUESTION.

Whether high speed causes accidents may be debatable, but that it makes them worse isn't.

Faulkenberry of this community, was buried at McCauley Monday afternoon. He died Saturday following his swallowing of a bullet.

Little Karry Green reports four new puppies at his house.

Clyde Bradford of the Royston community will be inducted into the Army February 25.

Royston community's contribution to the March of Dimes totals \$169.50.

McCauley High School 4-H Club members met last Wednesday and heard instructions on how to care for and show a calf. Three McCauley boys left Saturday for Houston to attend the Houston Fat Stock Show. They were Lloyd Bowen, Chick Carter and Frank Crowder. Lloyd was scheduled to participate in a calf scramble at the show.

Sunday dinner guests of Mr. and Mrs. Frank Houghton were their daughter, Jeanne, of Midland, Corporal Charlie Lee, Wilma Davis and Laura Beth Gartman of Abilene.

West Texas Counties Lead State in Cotton

Two West Texas counties led the State of Texas in cotton production for 1952, according to figures just released by the U. S. Department of Commerce this week as total production for the season was tabulated.

Total of 3,730,620 bales of cotton had been ginned in Texas as of January 30, or 237,143 bales less than on a similar date in 1952.

Lubbock County led the state with 244,319 bales, followed by Hale County with 206,134 bales, and Hidalgo County, in the Rio Grande Valley, with 157,916 bales.

Contract documents and specifications are on file in the City Hall, Hamlin, Texas, and may be procured from Freese & Nichols, 407 Danciger Building, Fort Worth, Texas, without deposit.

School Teachers, Facing Rising Living Costs, Concerned with Proposed Raises

School teachers of Hamlin and over the rest of Texas are concerned about the problem of trying to live on present salaries. Many teachers of Texas are eyeing other professions which offer more stable pay.

A Texas teacher, after spending four years and an average of from \$2,500 to \$3,500 in college preparation, can now look forward to receiving a minimum salary no higher than that paid to day laborers, they point out.

Charles H. Tennyson, executive secretary of the Texas State Teachers Association, said this week an economic survey by the organization's research division shows teacher salaries are pitifully inadequate.

The survey showed that the average teacher in Texas receives almost \$100 a year less than the average salary paid all workers,

Church of Christ Members to Attend Lectures at ACC

Numbers of Hamlin area members of the Church of Christ are planning to attend the thirty-fourth annual Abilene Christian College Bible lectureship beginning Sunday.

College officials have expressed belief that the 1953 lectures will draw the largest crowds in their history—possibly as many as 6,500. The gathering is considered the largest meeting, though unofficial, of Church of Christ members in the world.

Last year record crowds up to 4,500 were accommodated as the lectures were delivered simultaneously in two auditoriums—Sewell Auditorium on the campus and in the College Church of Christ.

This year a third auditorium, Bennett gymnasium, will be used along with the other two for the evening lectures.

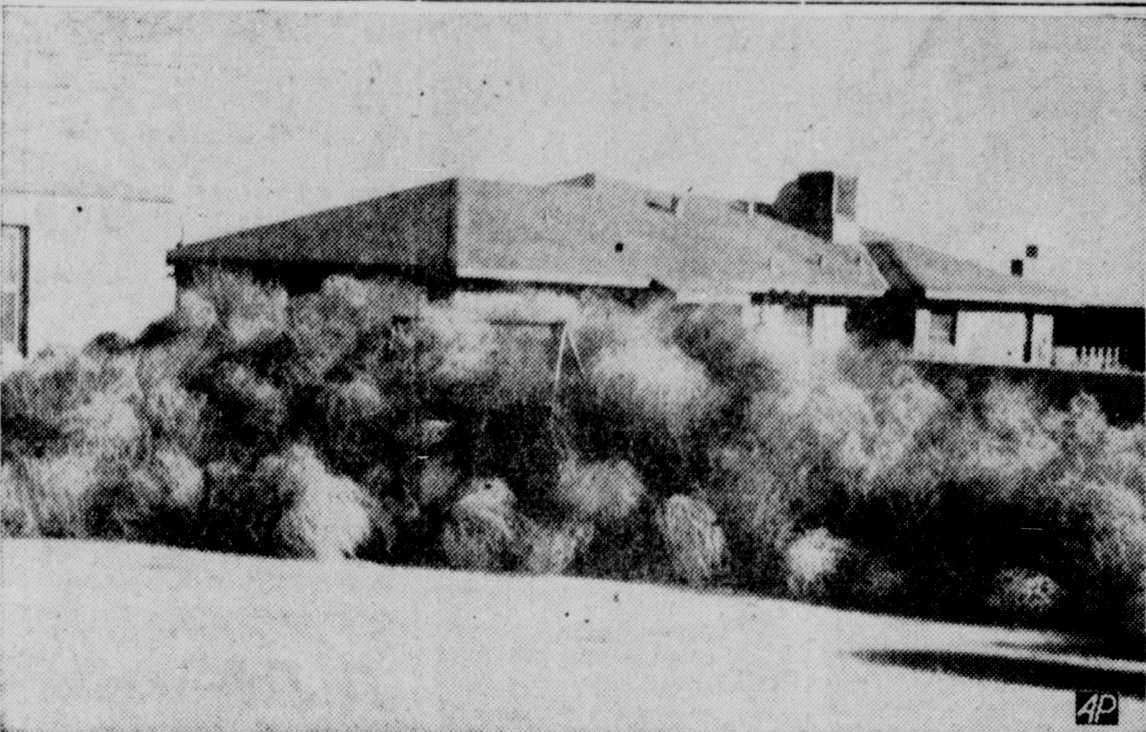

The lectures open on Sunday and run five days, through Thursday, February 26. The entire program, including all of the nine main lectures, will revolve around the theme, "The Church at Work."

Nine principal lectures will be delivered by the following Church of Christ preachers: Glenn L. Wallace of Abilene, Robert C. Jones of Fort Worth, Delmar Owens of Tulsa, Oklahoma, Clifton Rogers of Port Arthur, Paul Wallace of Gladewater; Willard Collins, vice president of David Lipscomb College of Nashville, Tennessee; James D. Willeford of Madison, Wisconsin; Carl Spain of Houston and Leonard Mullens of Dallas.

Five from Bank Go to Dallas District Meet

Five Hamlin people represented the Farmers & Merchants National Bank at the District 10 meeting of the Texas Bankers Association convening last Thursday at Dallas.

Making the trip to Dallas were President and Mrs. Tate May, Lennie Greenway, Buna Rountree and Faye Atkinson.

WHEN TUMBLING TUMBLEWEEDS MESSED UP MIDLAND—Heavy winds recently swept tumbleweeds into Midland and emergency clearance work was undertaken. More than 250 truck-loads of the pesky plants were hauled away from homes, like this one, because of the fire hazard. The fire department burned them.

Jerry Waggoner Tells Rotary Club Stories on Guns

A display of and talk about old and modern rifles and pistols by Jerry Waggoner, young Hamlin business man, proved interesting to members and guests when the Hamlin Rotary Club met at the oil mill guest house Wednesday at noon.

Young Waggoner demonstrated the operation and uses of the guns as he presented several models which he had accumulated. The original Springfield rifle, he said, was revolutionary in its early days, being a single-shot automatic loading and ejecting type rifle. His model was even equipped with a bayonet. The Winchester 73 rifle was the first major multiple-shot rifle, and it played a vital part in "winning the West" from the Indians, he said. A modern 30.06 rifle revealed the progress made in recent years in firearms manufacture, he pointed out.

Waggoner showed several pistols, including the old cowboy model of Colt 32.20, the Derringer 32 that was used along the Mississippi River in the early days. He also showed a modern Luger pistol, made in Germany, which he said an American named Barsch invented but was refused a patent in the United States on three tries. He later was invited to Germany, where the Luger was manufactured, he declared.

Besides Young Waggoner, other guests at the Wednesday luncheon included Lester Barry of Abilene, P. L. Ullom and George Cowan of Sweetwater and Reggie Berry of Stamford.

Robert Fletcher, Hamlin High School senior, expressed appreciation of having been named Junior Rotarian for the month of February.

Too many people are always willing to help others if it helps themselves.

SIX-FOOTED LAMB—Rancher Gerald Waybourn is shown here holding a freak lamb born on his ranch eight miles north of Matador. About three weeks old, the lamb is normal except for double cloven hind hoofs. It gets around by dragging its body with the forefeet.

Terrace Lines Run on Several Area Farms

Terrace lines were run on the following farms of the area, according to the California Creek Soil Conservation District office: Swenson Flat Top Ranch, northeast of Hamlin; N. M. Hansen farm, east of Stamford; W. W. Mayfield farm, south of Stamford; and on the A. J. Swenson Ranch, north of Lueders.

These terraces will be built to give protection from erosion and to hold as much water as possible on the fields.

CHEMICALS DROP LEAVES.

Chemicals can be applied to the cotton plant to cause it to shed its leaves prematurely to make picking easier.

Texas' Four-Cent Gasoline Tax Lower Than Area States

(This is one of a series of articles presenting facts and figures about Texas roads and highways. The information was compiled by the West Texas Chamber of Commerce Highway Policy Committee. These facts are being disseminated solely for the information of the public, without comment or interpretation.)

Although most of the \$1,000,000,000 spent on roads by Texas from 1940 through 1951 was provided through the motor fuel tax, Texas' four-cents-per-gallon levy is lower than the rates assessed in Louisiana, Oklahoma, Arkansas and New Mexico.

The state receives most of its highway money from the gasoline tax, after remission of millions of dollars annually.

Gasoline taxes levied by Texas and four adjacent states compare as follows: Louisiana, seven cents per gallon; Oklahoma, 6 1/2 cents; Arkansas 6 1/2 cents; New Mexico, six cents; Texas, four cents.

The Texas rate has been stationary since 1929. The state first levied a gasoline tax in 1932—one cent per gallon, with one-fourth going to schools and three-fourths cent to roads. In 1927 the Legislature raised the rate to three cents and then reduced it to two cents. It was made four cents per gallon in 1929.

The Texas gasoline tax may be refunded to non-highway users upon proper application.

Mary Willingham Is Sweetheart for FFA

Mary Willingham, daughter of Mr. and Mrs. Tarleton Willingham of west of Hamlin, who is a junior at Hamlin High School, has been named sweetheart of the local school's chapter of Future Farmers of America.

She was recently presented a sweetheart jacket, bearing her name, along with the chapter's emblem.

Food Just Like Mother Makes Being Served At School Cafeterias

Foods prepared at the three Hamlin School cafeterias are "just like mother makes" because the people who prepare the meals are mothers, it is pointed out as a feature of the cooking served at the three cafeterias to scores of school children.

Menus for the coming week, which are typical of those served regularly, follow:

Monday, February 23—Salmon croquettes, Harvard beets, spinach, macaroni and tomatoes, bread, milk and cookies.

Tuesday—Creamed turkey, fruit jello, green beans and potatoes, bread, milk and gingerbread.

Wednesday—Pinto beans, cornbread, sliced cheese, fried potatoes, green salad, bread, milk and cake with filling.

Thursday—Roast, gravy, mashed potatoes, English pea salad, bread, milk and peach halves.

Friday—Sandwiches, soup, potato chips, milk and ice cream.

Farmers Kept Busy Getting Land Ready For New Row Crops

Farmers of the Hamlin territory have been busy the past several weeks getting their land in readiness for spring planting of row crops. Many of them report that until just the past few days the ground had been plowing better than at any time for the past two years.

Some of the land is being flat broken, while most of the farmers already have theirs listed for row crop planting.

Little splurges of moisture that have come during the winter have frozen in several instances, breaking up the texture of the soil to make it work good. Additional moisture will be needed generally, however, throughout this entire area before the crop outlook for the new year can be considered favorable.

The Old Swivelneck sez: The way gossips make mountains out of mole hills is just to add a little dirt.

HARD TO ESTIMATE.

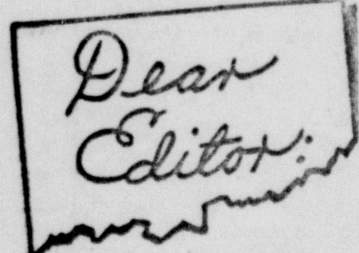

It would be hard to estimate the true worth of Scouting to wholesome, useful and happy living.

Let's have sport for sport's sake and don't take it too seriously.

If wars were paid for in advance—there wouldn't be any.
